

Shoreline Interiors Presents..... DESIGNERS' CHALLENGE!!!

from left to right: Kelly Borden, Robin Perry, Linda Lee, and Sandy Clarke.

You've seen it on HGTV...now bring your interior design projects or questions to our designers at Shoreline Interiors and become the spotlight of your own **Designers' Challenge**. Each designer will meet with you individually and present her ideas for your room design/renovation. Then you get to choose from one of the four presentations which most appeals to you.

The designs are **complimentary** and you are not obligated to purchase anything. However, if you do choose to furnish your "new" room with pieces from Shoreline Interiors, you will be purchasing from leading manufacturers such as Somerset Bay, D. R. Dimes, Barclay Butera, and from some of the finest lines from the Boston Design Center.

Come see what our designers can do.

Bring in your project ideas today!
